Terms & Conditions

- 1. Applications must be received within ninety (90) calendar days of the purchase and installation date.
- Customer must submit copies of the contractor's itemed invoice and/or itemized purchase receipts, and the model and serial number must be submitted along with a completed rebate application form.
- 3. Failure to provide required information may result in denial of the rebate.
- 4. The applicant agrees to obtain all applicable permits from the Beatrice Community Development Department; to use materials approved by our adopted building codes (2015 IRC and/or 2015 IPC); and to have equipment installed per code. All necessary permits and/or inspections are the responsibility of the customer.
- 5. Rebates will be issued in the form of a credit on your Board of Public Works (BPW) utility bill.

- 6. Rebates and incentives are awarded on a first-come, first-served basis until program funds have been depleted.
- 7. BPW reserves the right to inspect the installed rebated material. If the qualifying equipment is not installed, the rebate may be debited to the utility account.
- 8. BPW reserves the right to amend or discontinue the program without notice.
- 9. BPW is not responsible for the rebated material's performance or energy savings, and does not provide any warranties or guarantees, expressed or implied.
- 10. Applicant must be the customer of record for electric service with BPW. One (1) rebate per service address.
- 11. Installed heating and cooling systems must meet ENERGY STAR qualifications. Heating & Cooling Rebates are subject to change as ENERGY STAR® qualifications change.
